Social Story

Visiting John Tonkin College
Education Support Centre

Guidelines

A social story uses storytelling techniques to explain new experiences and environments. Anyone who is nervous when attending a place or event for the first time may benefit from access to a social story.

We recommend you follow these guidelines:

- Read the social story preferably two weeks in advance of visit.
- If reading to someone, help the person to understand key points.
- Once the visit has taken place, re-read the social story to celebrate achievements.

This social story is for people visiting John
Tonkin College Education Support Centre
(JTCECSC).

Location

JTCESC is located within John Tonkin College - MET Campus.

It is next to South Metropolitan TAFE and Murdoch University's Mandurah Campus.

It is 300m away from Bunnings Mandurah.

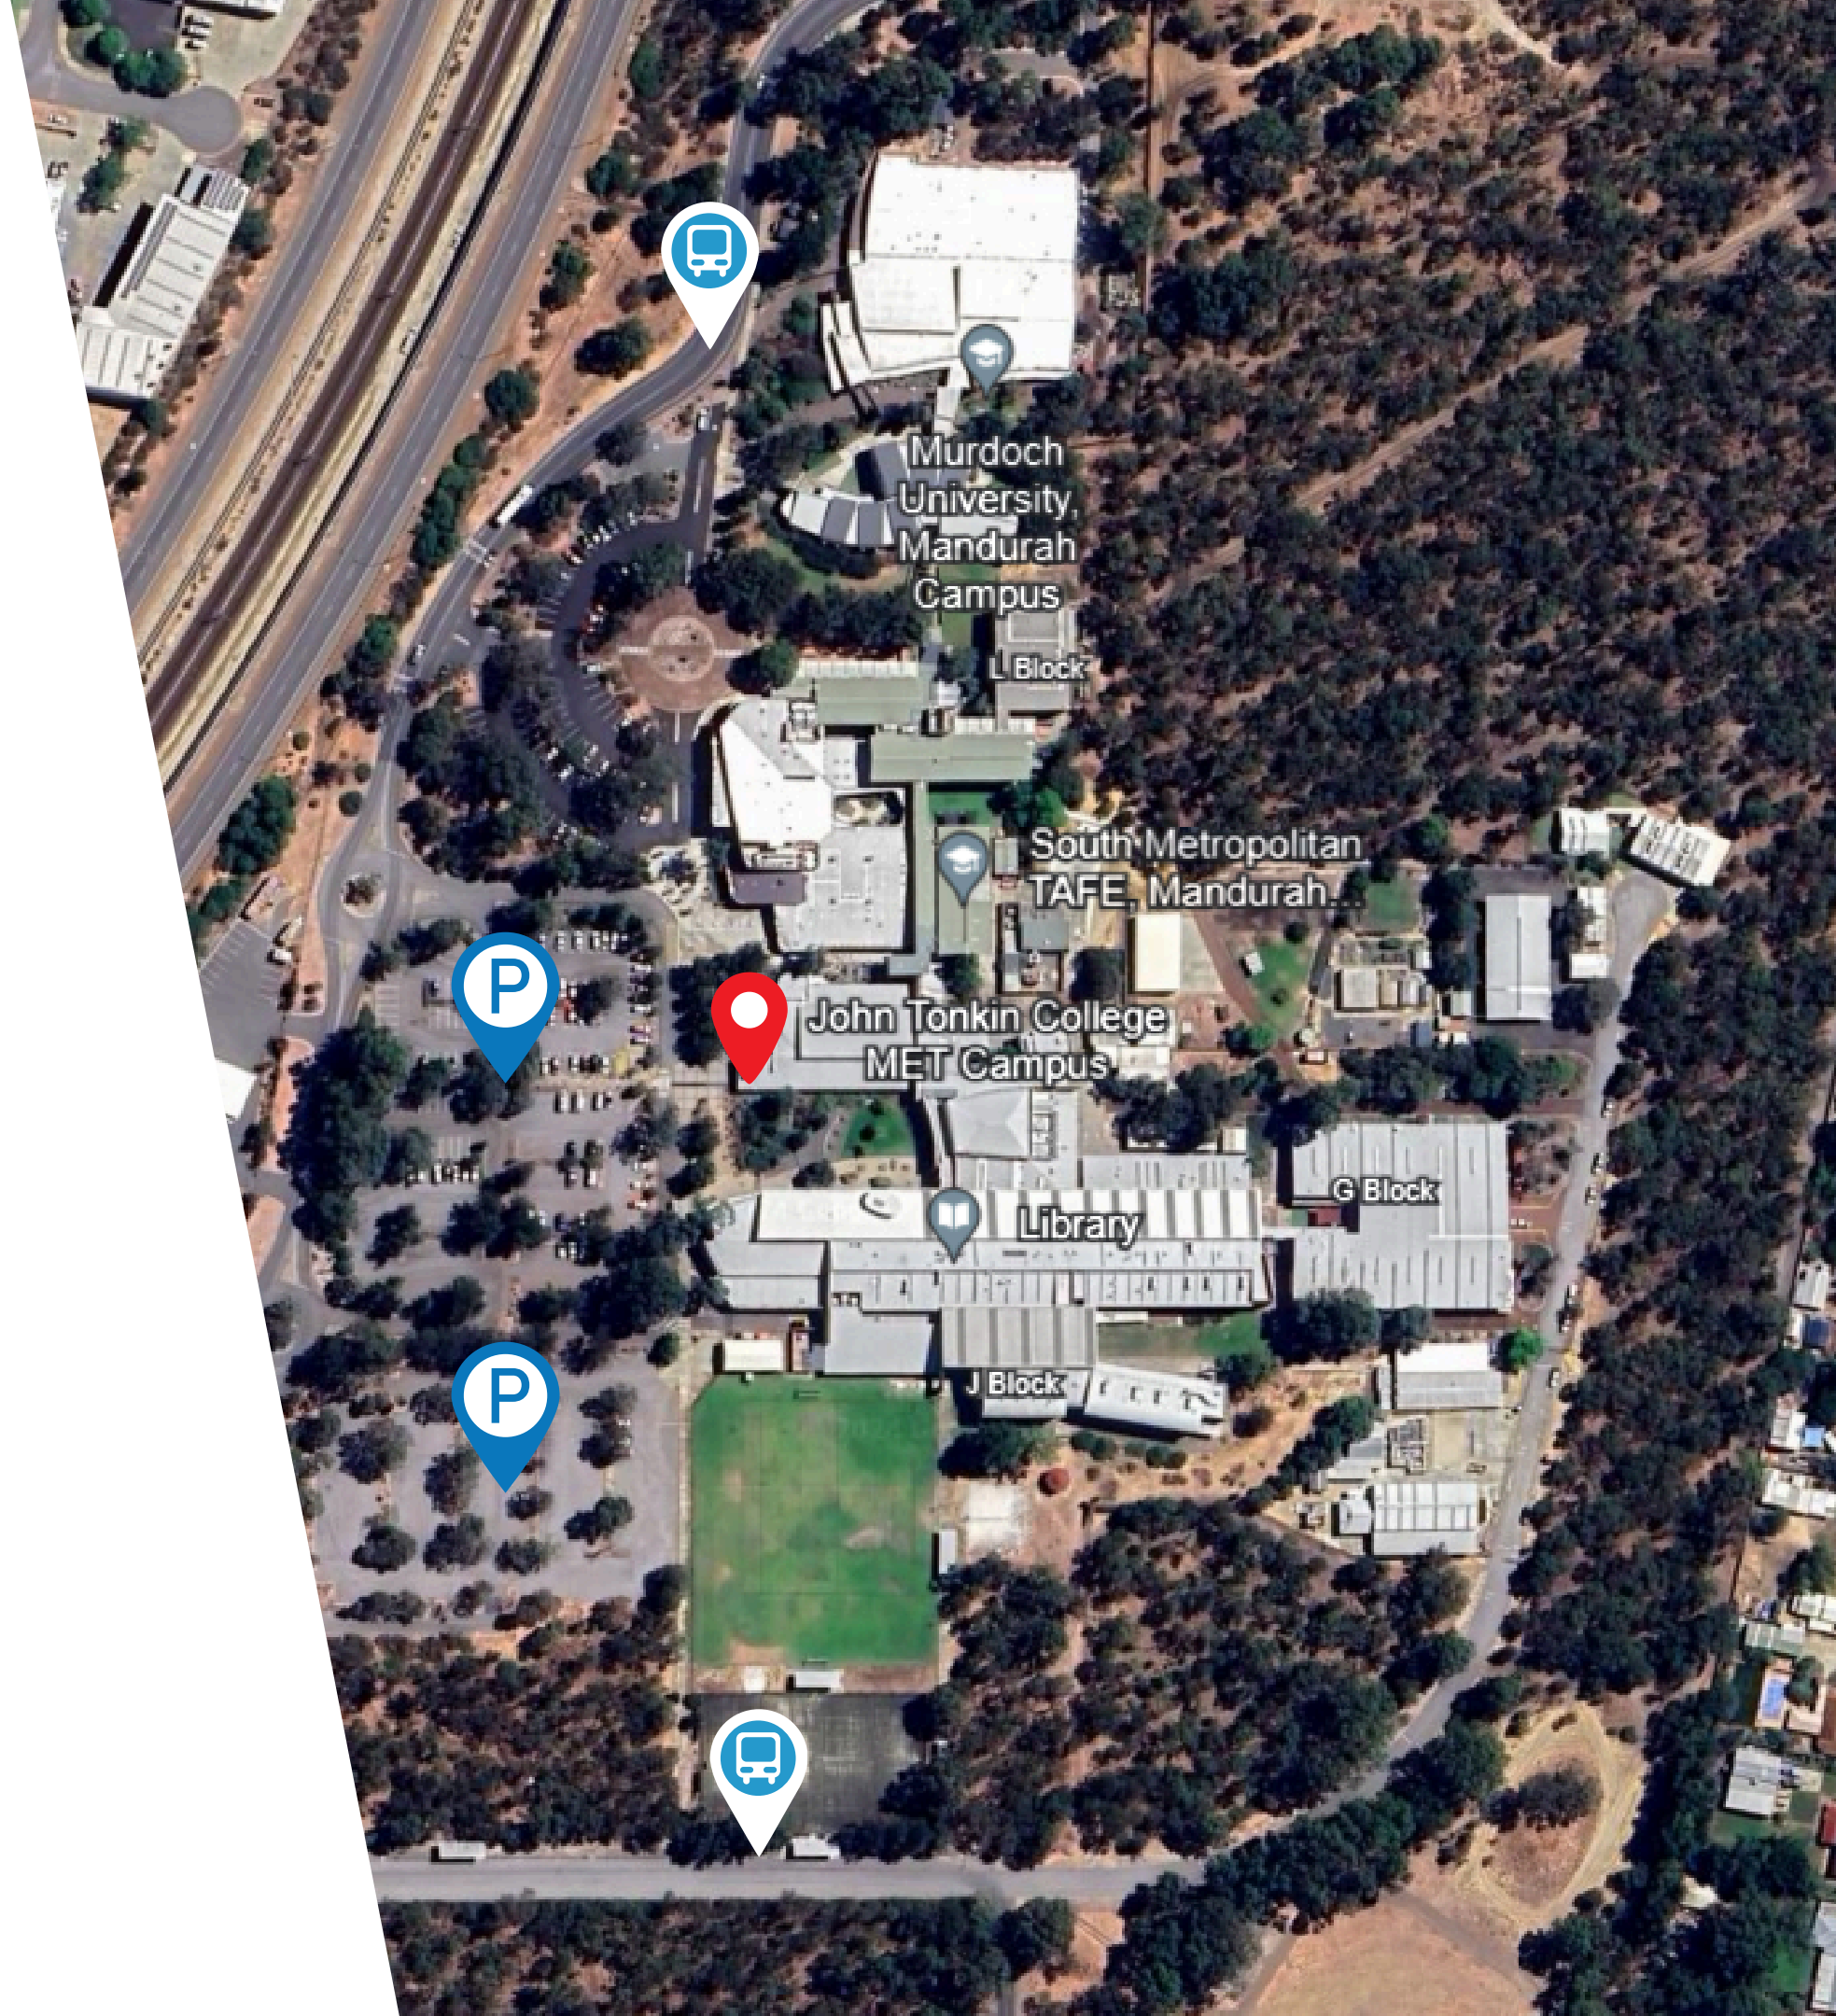

Transport

If I travel to JTCEC by car, there is visitor parking for me to use at the front of the campus.

If I have an ACROD permit, I can use the ACROD parking bays.

If I choose to travel by bus, I may get off the bus at the stop on Education Drive.

I might choose to use a map on a phone or device to know where to get off the bus or where to park.

To start my visit at JTCEESC, I will need to sign in at the administration office.

To find the administration office, I will follow the signs that say “John Tonkin College Education Support Centre Administration.”

When I arrive, I will see people at reception who work at JTCEESC. They are called staff.

The staff will say hello to me, and I can tell them the reason I am visiting JTCEESC. I may be asked to sign in on the iPad.

If I have any questions, I can ask the staff.

I will follow the directions of the staff, and let them know if I need any assistance.

If I need assistance and there isn't a staff member or trusted adult around, I will call the reception phone on 9583 0571.

There are lots of things to see at JTCESC.

It might be quiet around the school when students are in class, and it may get busy and loud when students are out of class.

When my visit finishes, I will go to the administration office and sign out on the iPad.

The staff will say goodbye to me, and I might say goodbye back to them.

Visiting John Tonkin College Education Support Centre is fun and educational!
